1. Prologue

Note: I will edit this chapter time to time due to the requests I've gotten.

"You're in heat." Touka said as she pushed him away from her, she was exhausted, but she managed to sit up before running her hand through her sweaty hair.

"What?"

"You're in heat, Kaneki. You're restless, we did it eight times today but you're still hard. You're in heat." His mouth gaped hearing her explanation. Him? In heat?

"How – how can I escape this?"

Touka had heard of this tale, but she couldn't believe it was happening to her husband. Yomo had it last time, and it was *troublesome*.

"You can't. You will only be fine again after you had sex with people in your dreams. Did you have any weird dreams recently?"

His eyes widened, recalling his bizarre dream where he was lying on a huge bed with multiple people around him.

"Y–yes."

"Who did you see?"

"Huh?"

"Your dreams, or visions, whatsoever. Who did you see? I won't judge, don't worry."

He gulped. Could he really name them all without making her angry?

"Um, I saw, Hide..."

Her brow arched. "And?"

"Eto... Tsukiyama... Hinami..."

"Hinami? What the hell?"

He seemed troubled, it wasn't like he wanted her to be in his dream.

"Okay, fine. I'm not judging. Who else?"

"Akira... Hairu... Furuta... um, *Rize*." He gulped nervously.

Irritation was displayed all over her face.

"Rize, huh? You probably wanted to fuck her since years ago."

"I didn't know why she was in my dream, Touka-chan."

"It's alright. Don't worry. There's nothing I can do about it. Anyone else?"

"Itori, Saiko, Yasuhisa twins and... Mutsuki."

"MUTSUKI?!" Her reaction was even worse than hearing Rize's name.

"What if she killed you?!"

"She won't. Don't worry."

"I can't believe this, Kaneki. Out of all women..."

"I'm sorry..."

"Don't worry about it. Who else?"

"I... I can't remember..."

"Let me know if you do." She sighed. "I'll be a good wife and explain to each of them about your condition. They'll understand. Hopefully. There's no stopping to this unless you have sex with them."

He furrowed his brows, the thoughts excite him, but, it didn't feel right.

"But – Touka – how about you?"

"What about me?"

"Don't you mind? We're – married." He looked too worried, too scared of hurting her feelings.

"I'm fine. As long as you don't do it in front of me, and they're on birth control."

I can take requests too but only if I approve those pairings.

2. Kaneki x Rize

Note: I will edit chapter 1 time to time due to the requests I have gotten.

Kaneki x Rize

His legs were shaking. His breathing was frantic. His cock was throbbing.

Kaneki had been waiting for Rize eagerly. When Touka told him that Rize was readily available, he couldn't really hide the excitement within him.

Rize was his first crush. He had fantasies of her back then. Especially when he was reading porn magazine, imagining it was Rize instead of the girls in the magazine. That it was Rize's mouth on his cock instead of his hand.

Touka decided to stay in Yomo's house, unable to stand looking at the eagerness on his face this morning. He was glad that she wasn't staying, so that she couldn't see their fucking session. Else she might hate him forever.

The bell was ringing, his legs hurriedly carried him to their front door. As soon as he opened it, Rize didn't have any chance to greet him as his lips crashed into hers, with intense fervent passion, and she reciprocated his kiss with the same fervor.

He couldn't wait anymore. He had been waiting for five years to have this chance. Being in heat just amplifying his desire to feel her against him, to have his cock plunging deep inside her cunt.

The door was barely closed as they stumbled onto the hallway floor, getting rid of their clothes. It would be a mess, the smell would linger, but he didn't care.

He wanted her. Now.

Rize wasn't complaining. After seeing him again after five years at his wedding ceremony three months ago, she was actually jealous of Touka for having him as her husband. He became so muscular, so much handsome compared to when she first seen him years ago. She was thinking of seducing him to have an affair with her, but seeing his eyes displayed full of love emotion to Touka – she gave up.

But here she was, lying on the hallway of his house, with his fingers in her folds and his mouth on her breasts. Sometimes sucking, sometimes biting the hard nipples. It was like he was obsessed with them. But she loves it.

She pulled him up for a searing kiss before she wrapped her legs around him, bucking her hips up against his hard cock. He moaned, then repeated the same motion – rubbing his erection on her clit – wetting it.

He skipped the foreplay, he was too hard for that. It seemed like she didn't mind either.

His cock slipped into her slick folds, almost sheathing him to the base before he pulled out and thrust in again. Her pussy was so slick, so warm, so tight – squeezing him, clenching him. He hit her g-spot, causing her to moan his name loudly while he moaned her name like a mantra. The feeling of being inside someone other than his wife, especially his first crush, was too amazing. It was hard for him to hold himself from coming too quickly.

His thumb rubbed her clit a bit too roughly, causing her orgasm. She looked perfect like a goddess as she moaned loudly and he couldn't stop thrusting hard over and over again, spilling his cum inside her. Rize sighed at the warm feeling.

His body crushed onto her for a while, then he got up, carrying her into his bedroom where he positioned her on all four, taking her again. This time, his cock slipped easier, her juice and his cum easing him.

Afterwards, he laid beside her, pulling her into his arms as her fingers drawing circles on his naked chest. It seemed like she adored his muscles and abs very much.

Kaneki smiled. Tonight was wonderful. He had just fucked Rize – someone other than his wife, and the feeling was amazing. Her pussy was amazing.

He stared at her body. Her breasts were voluptuous – much bigger than Touka's. Her pussy was cleanly shaven, and her hips were deliciously wide. Ah. He wanted to take her again. Only Rize could make him feel this way – because he had wanted this for so long. And his fantasies had finally come true. But it wasn't enough. He wanted more.

She wouldn't mind, would she?

"What are you thinking about?" She asked, smirking. Her eyes noticed his lustful gaze on her.

"Nothing."

"Did you feel guilty? Making love with someone who isn't your wife?"

"I wouldn't call what we did as making love, Rize. We just... had sex. That was all."

"Really?" She propped herself up, hovering over him. His eyes stared at her breasts pressing on his chest. The softness of her breasts against his chest was heavenly. "Because the look in your eyes is screaming otherwise. You really wanted this, didn't you? You were enjoying it."

"Yes." he admitted, his eyes still fixated on her breasts, his tongue wet his lips subconsciously. "I wanted it. I don't love you anymore, Rize. My heart belongs to Touka. But – I can't deny that a part of me will always be attracted to you."

"Why is that?"

"I don't know. Perhaps because you're my first love."

"I'm flattered." She leaned down to kiss him, nipping his lips between hers before their tongues dueled with each other. "Hey, since we have only one day, why don't we use it to the fullest?"

His eyes darkened at her suggestion, she was smiling teasingly at him. Without any words, their hips grinded against each other repetitively.

There was no time to waste.

The next morning, he was sad that she was leaving. That he couldn't have any chance to fuck her again, feeling her tight cunt squeezing him, her huge breasts pressed against his chest.

"Bye, Kaneki. You were *amazing*." She gave him the final kiss, wrapping her arms around his neck. But Kaneki wasn't about to let her go yet. He was well aware that after a ghoul in heat had sex once with the person in their dream, they should be alright.

Last night, their excursions after he took her on the hallway floor, were pure lust. Even now, the lust was still lingering as his eyes leered at her curves.

Just one last time.

He quickly turned her around, pushing her against the wall. She squeaked at his action but he was fast, pulling down her panties, taking out his hard cock from his pants and lifting her skirt up before his cock buried inside her pussy once again.

They moaned at the wild sensation, of her tight pussy clamping him and his cock hitting her g-spot.

Touka would be home anytime soon, but he didn't care. He just wanted Rize again.

Rize almost screamed out loud when he hit the spot over and over again, his hands groping her voluptuous breasts underneath her dress. And she wasn't wearing any bra. So he pinched her nipples, and was delighted with her reaction.

"Kaneki! I'm –"

"Let's come together, Rize." He panted, and it took him three hard thrusts before they came together, moaning so loudly that it would awaken all the neighbors.

He stayed inside her, making sure she milked all of him. He turned her head a bit to kiss her, and Rize's eyes widened in shock.

He followed her gaze and saw Touka was standing at the house entrance, frowning.

3. Kaneki x Hide x Touka

"Yo, Kaneki."

Hide arrived that evening, his face showing too much excitement at the thoughts of helping his best friend who needs him.

Kaneki gulped as he stared at his best friend, he knew Hide is beautiful, but today, he looks more beautiful than he ever does. He unconsciously licked his lips as he stared at Hide's full lips, his cock was hard since this morning after doing it with Rize and getting caught by Touka, but it got even harder thinking of fucking his best friend. Or, his best friend fucking him.

Touka was furious, of course. As a punishment she wanted to join him fucking any other male. She wanted him to see how is it like to see your spouse doing it with someone else.

He felt relieved that she's pregnant. So no matter what, she won't be carrying someone else's child inside her womb. Only his.

"Shall we jump straight away at it or – ?"

"Just do it. He's been hard since forever." Touka cut in, Hide chuckled.

"Did you bring lube?"

"Yes, I did." Hide stared at Touka who was sitting on the couch, staring at them in silence.

"Feel free to join us, Touka-chan." He winked, and Kaneki frowned at his best friend's suggestion. Were they planning this?

"Of course. But I want to see you guys doing it first."

"Alrightie, Touka-chan. So... how do you want me to do this?"

Kaneki was anxious. He had never done this with a guy before. But there's something about Hide that calms him.

"I want you... to fuck me." He said it so slowly, but Hide was able to catch what he said.

"Sure, buddy." They helped to remove each other's clothes, aware that Touka was watching from afar. But Kaneki's hard erection was hard to ignore, and Hide started to get hard even though they hadn't done anything yet.

Kaneki dived in for a kiss, his heat cycle was torturing him. Even though he did it with Touka after Rize had left, he wasn't satisfied. He needed someone else. Someone from his dream.

Hide replied his kiss softly before it turned passionate, his hips grinding against Kaneki, rubbing their hard cock together. They moaned, completely forgotten Touka's presence.

It didn't take long for Hide to push Kaneki onto the bed, their tongues dueled ardently, their hands caressing each other.

Touka slowly moved her hand, touching herself at the sight of her husband and his best friend in extreme desire. The scene turned her on.

"H—Hide, just take me!" Kaneki whimpered, his cock was unbearably hard and it was driving him crazy.

"You're so impatient. Is this how you are everyday with Touka-chan?" Hide squeezed out some lube onto his hand, then slowly moving it towards Kaneki's entrance. The half-ghoul gasped at the probing, then whined when Hide's fingers found his prostate.

"Hide! Ahhhh!" He was loud, much louder than usual. Touka's lips curved up in amusement.

Hide couldn't stand looking at his best friend writhing under him, so he lubed himself with his and Kaneki's pre-cum.

"Are you ready, Kaneki?"

"Just fuck me now!"

"Roger that." He smirked.

His tip went in, and Kaneki screamed even louder that Hide needs to silence him with a kiss.

"You're so loud, Kaneki! I know you're in heat but slow down your voice for a bit, can't you?"

"I can't. It feels so good. You feel so good, Hide."

"You feel so good too Kaneki." His length filled him to the hilt, he could feel Kaneki's walls clenching him, he groaned at the sensation.

"Hide – please, please move."

"No."

"Why?"

"Because you'll scream."

"I won't. I'll cover my mouth. Please, please, I beg you Hide– FUCK!"

Hide started to move rather vigorously, causing Kaneki to moan louder even though he promised to cover his mouth. His walls squeezing Hide, causing the human to almost crash himself onto his best friend.

"I love you, Kaneki. I love you so much." His hand working on Kaneki's cock, the pre-cum leaked out even more and the half-ghoul couldn't think straight anymore.

"I love you too Hide." Hide was sure he meant it as platonic as he is married, but hearing him saying he loved him was more than enough.

His cock kept on thrusting, his mouth kissing his best friend and sucking on his neck before a screech moan filled the whole house as they both came at the same time.

Hide pulled out, he was still hard but Kaneki looked like he was about to pass out from their rigorous activity.

"Can I take care of that?" A female voice asked, both Kaneki and Hide turned towards Touka, the female ghoul had stripped off her clothes, baring herself in front of them. Hide's eyes almost popped out as he stared at her naked body. Her breasts were perfect, her pussy was wet, he felt his mouth watering at the amazing sight.

"I'm pregnant, so there's no risk of me getting pregnant with your child. You can come inside me, Hide."

Kaneki rolled over to give his wife some space, he was too tired but he wanted to see this until the end. Now he felt like he finally understood how she felt when she saw him with Rize this morning.

Touka lay on the bed, spreading her legs wide for Hide to see her wet cunt. He licked his lips, he came here to help Kaneki, gained some pleasure from it but he never thought he would get some pussy too.

"Kaneki, is this fine?" Hide turned towards his best friend, flushed at the sight of his wife spreading herself so openly to his best friend.

"Yeah, I'm good." *This is karma.*

"If you say so..." Hide leaned down, kissing Touka lightly but Touka was too horny to take it slow. Witnessing Hide fucking her husband turned her on, and she wanted him to take her too, for revenge towards her husband.

She kissed Hide fervently and Hide replied with the same passion. His hands grabbed her breasts, they fit perfectly in his hands, while his cock rubbing her wet core. His lips then traced her skin, she felt so soft compared to Kaneki.

Touka's legs wrapped around Hide which made him groaned, she *really* couldn't wait any longer.

"Just put it in."

"You're just like your husband, Touka-chan. So impatient." He teased, and she almost frowned at him but she couldn't as his mouth found her breasts.

He toyed with her breasts while playing with her clit with his thumb. Kaneki felt jealous looking at them, at how Touka's eyes seemed hazy as his best friend pleasuring her. It was his fault for having sex with Rize in front of her. But he wasn't just jealous, her moans turned him on too. He started to bob his hand up and down his cock while watching them.

When Hide did enter Touka, she had to muffle a scream. He's bigger than Kaneki, much longer too, and it felt so good.

"Haah... You're so tight, Touka-chan. So warm too." He thrust in and out of her, groping and lifting up her ass slightly to hit her g-spot which made her moaned loudly, completely ignoring her husband beside her.

Hide seemed to hit her sweet spot all over again, until she had her orgasm, screaming Hide's name as her nails dug into his skin.

Hide was still thrusting into her, his thrusts were hard and sharp, seconds later, he came. Shooting his cum inside her tight pussy. They shared a kiss afterwards, before he pulled out of her. Some of his cum dripping out and Touka dip her finger, licking Hide's cum while looking at Kaneki smugly.

4. Kaneki x Hinami

"Onii-chan?" Hinami asked softly as she entered his room. Touka went to Yomo's house, unwilling to witness her husband having sex with her sister figure.

"Hinami-chan... Thank you for coming over." He stared at her rather lustfully, causing her to blush.

"Um, I – I've never done this before." She said as she fidgeted with the hem of her dress, her gaze was on the floor, shy.

She's so cute, Kaneki thought.

He lifted her chin up so that their eyes met.

"I'll be gentle, Hinami-chan. Do you trust me?"

"Yes. I trust you, Onii-chan." She nodded, and he closed their distance by planting his lips on hers. They were soft and warm. He nipped her bottom lip, and ran his tongue across it. She opened her mouth, granting him access and their tongues dueled.

They pulled away just to remove all of their clothing, and Kaneki pushed her onto the bed with him on top of her.

Hinami blushed heavily seeing his cock erected so hard. It was big, and she wondered if it was gonna fit.

Kaneki stared at her huge breasts in appreciation, Hinami had become more feminine now. His hands massaged those plump breasts as his mouth went to her neck, sucking the soft spot making her back arched at the contact.

She moaned as his thumbs grazed her hard nipples. He wanted this. The thoughts of taking her virginity turned him on to no end. And she was willingly giving herself to him.

His mouth found her nipples. Sucking the buds and grazing his teeth on them. "Onii-chan. Haah."

She rolled her hips towards him, he groaned before doing the same to her. The sensation of his cock rubbing against her core made her even wetter than she originally was.

His mouth found her core, teasing her clit before inserting his fingers into her.

"Ugh... So... Tight." He stretched her, his tongue stroking her clit and he bit on it lightly. Then his fingers found her g-spot, she gasped and so he repeated his motion until she came, her walls contracting his fingers, his tongue lapping her sweet juice.

"Onii-chan... That was—" he kissed her, and she could taste herself on his mouth.

She wrapped her legs around him, rubbing his cock simultaneously causing groans to escape his mouth.

"Hinami-chan. I can't – take it anymore."

"Then, haah, just put it in."

With one push, his tip entered her. Spreading her walls as more of his length went inside her.

She screamed in pain, so he waited for the pain to dull before he thrust in and out of her repeatedly.

He kept on moaning her name, and she kept on moaning 'Onii-chan' which made him even harder.

He grabbed her breasts, sucking on one of the nipples before changing the angle slightly, hitting her g-spot.

"Ahh! Onii-chan!"

"I'm close, Hinami-chan."

"Me too! Haargh!" She screamed loudly as she came, her tight walls squeezing him. He thrust his cock several times more before he let out a deep groan, spilling his seed inside her.

He crashed into her, they shared a searing kiss and he laid beside her, pulling her into his arms.

"I love you, Onii-chan."

"I love you too, Hinami-chan."

She knew that he probably meant siblings kind of love, but for tonight she just wanted to cherish this moment. She had one whole day with her crush, she will not let it go to waste.

She shifted their position so that she was on top of him.

"Can we do it again?"

His mind has cleared as he had done it with her. But seeing her so eagerly rubbing her pussy against him making him hard again. She kissed him senselessly, he smiled against her mouth.

"Gladly." He pulled her chin and they kissed again.

Kaneki never expected to see this side of Hinami. She was eager in riding him, he didn't have to do much work so he grabbed her breasts, pulling, squeezing and teasing her hard nipples. After that, she sucked him off and even though he could feel her inexperience, she was doing her best for him.

The next morning he took her one last time in the shower against the wall, the water flow from her hair to her big breasts, which he was sucking on and massaging the neglected one. Hinami realized Kaneki is

definitely fascinated with breasts so she just allows him to play with hers.

The hickeys on her breasts lasted for weeks.

5. Kaneki x Eto

"I want you to fuck me with your huge cock right here, fill me up with your hot cum until I'm pregnant." Eto whispered to Kaneki's ear, her hips grinding against his already hard cock.

"E-Eto!" He blushed, even Touka had never said something like that to him.

"Don't you want to see, Kaneki? The child of natural half-ghoul and artificial half-ghoul. Imagine how powerful our child will be."

Touka had told him that she allowed him to do this as long as all of the females are on birth control. So far he had been cumming inside all of the girls. He was sure Rize was on birth control but he wasn't sure about Hinami. But the thought of Hinami having his child wasn't too bad... His child would have a very gentle mother. And he realised he loves Hinami a little bit more than brotherly love. Because which brother would have an erection over the thoughts of fucking his sister? And which brother wants his sister to carry his child?

But here Eto is offering, completely ignoring Touka's wish. But he wants to see too. How powerful their child will be. But...

"Don't worry. I will raise our child by my own. You don't have to take responsibilities."

"Of course I have to. It's my child too."

"Do you want Touka to know?"

"No..."

"Then I'll raise it on my own. Rest assured, I'll be a great mom."

She didn't allow Kaneki to respond as she leaned down, kissing his eye first before anything else.

Her lips were hungry, ravaneous, finding his cock so easily.

"Eto!" He groaned, she performed deep throat on him which left him in an extreme pleasure. But she didn't let him cum. He whined at the loss of contact.

"Why? I was so close."

"You're not cumming in my mouth, Kaneki." She smiled, teasing him. "You're cumming in... *here*." Her last word was emphasized by her lowering herself to him. His cock filled her wet, tight vagina and both moaned in unison at the sensation.

She lift herself up to the point only his tip was inside, before lowering herself and they moaned again.

She kept on repeating it, her lips finding his and her breasts pressed flush against his.

"Eto, I'm close. Don't stop!"

"Yes! Cum inside! Fill me up Kaneki! Let me have your baby!"

He groaned loudly as his cock shooting seed deep inside her, and she came, squeezing him more.

For their second round, Kaneki pushed her so that her face was pressed to the mattress, her ass hanging in the air. Somehow he was still hard because of her dirty words and sexy figure.

She was petite, her breasts were just the right size for her but her ass was huge. He wanted to fuck her ass. So he did.

She gasped as she felt the foreign intrusion in her ass.

"I want you to fuck my cunt, not my asshole!"

He hovered over her, whispering in her ear, "We have all day, Eto. But since you're complaining..."

He began thrusting her asshole and her pussy subsequently. Eto screamed in pleasure, she didn't know which hole he was fucking her anymore.

When she came, he stick to only thrusting her pussy. Cumming inside her to ensure pregnancy.

She sighed happily as she could feel the warmth inside her. But it seemed like both of them weren't satisfied yet.

"Let's have a bath."

When Eto woke up in the middle of the night, she was no longer in Kaneki's arms. So she searched for him, and found him in the kitchen, shirtless, making coffee.

"Do you want some?" He asked, his face blushing a little because she was naked. She smiled, walking towards him then wrapped her arms around his neck to kiss him passionately.

"I want you." She whispered, her pussy grinding against his clothed erection. Her hand was quick, working on his boxer before she lay on the table, waiting for him to take her. She didn't care about him having to explain to Touka about the smell in the kitchen, or the massive cum stain on the table and floor. She only has one goal for now. To let Kaneki take her over and over until she's pregnant with his child.

6. Kaneki x Hairu

Hairu asked Kaneki to wear glasses. At first she was reluctant to agree, but after knowing that having sex with her is the only way he can be cured, she said yes.

But she had a rule, which is for him to wear glasses so that she could imagine it to be Arima instead.

"Ah! Arima! Faster! Harder!" She moaned, it was somehow awkward for Kaneki because she is calling him Arima, he wants her to call his name.

Because of that, he had been thrusting in and out her pussy for 20 long minutes now, still unable to cum because she had been calling someone else's name. While Hairu had her orgasm for multiple times now.

"Hairu. I – haargh – want you to call me by my name."

"No."

"Please, Hairu." His mouth found her breasts, her neck, her lips, then her breasts again. He had been giving more than enough attention to them now. But it wasn't enough.

"Please. I need to cum."

"No, you can't. Keep on pleasuring me, Arima. Go faster."

"Haah!" He increased his speed, his thumb found her clit, and she came again, screaming Arima's name. The clenching of her walls made him almost buckle.

He pulled out of her, his cock was extremely hard but he was still unable to release his seed.

He began to climb higher onto her, and she seemed a bit surprised.

"What are you doing?"

"Pleasuring myself. I've been pleasuring you for long enough now." He kneeled between her torso, grabbing both of her breasts and began to thrust his cock up and down between the soft meat.

He groaned in pleasure, he had done this with Touka but Hairu is a lot more vocal than his wife, so he enjoyed doing this with Hairu more. Besides, Hairu's breasts are rounder and fuller.

"Lick the pre-cum." He ordered. And so she did whenever the head was near her mouth. Her mouth was warm, her tongue on his tip drove him crazy.

"So good. Your breasts feel so good, Hairu. Haah. They're perfect. You're perfect." She blushed. No one had ever told her she's perfect. He pinched her nipples, and the result of it was great.

"Hai-Haise." His other name came out of her lips, and he lost it. He let her breasts go and quickly insert his cock into her pussy, thrusting at an insane speed while his hands gripped her hips.

"Say it again!"

"Haise!"

"Louder!"

"Haise! Ahhh! Please cum, Haise!"

Finally, he spilled his seed inside her pussy. It was a lot that her tummy seemed bloated, and cum leaking out for minutes.

He rested her head on her breasts as they came down from their high. She ran her hand through his hair.

"If I had known you'll be a beast like that, I'd call your name sooner." She smirked.

"We have the whole day, Hairu. You can call my name anytime." He murmured between her breasts, then biting the nipples and leaving more love bite on them.

"You *really* love my breasts." She said in amusement.

"They're perfect. Soft. Bouncy. Huge." He gave each mound a soft kiss. "They're better than Touka's. I'm in love with them." He licked the pink areola in circles before sucking the peak again. She sighed in pleasure.

"Do you know what I love about you, Haise?"

"No?"

"You're a very kind person. But I also love your hard cock. It's so big, and it lasts very long."

"That's – that's because you've been calling me Arima."

"Oops. I'm sorry. I'll call you Haise–kun from now on, okay?"

"That's better." He massaged her breasts now, she moaned and arched her back. She looked so beautiful. He couldn't deny that Hairu is a very beautiful girl. More beautiful than Touka. As Haise, he had a small crush on her due to her great talent but he gave up when he found out she adores Arima.

Now he could finally fulfill his fantasy, and he wasn't about to let it go to waste.

"Do you mind if – if we do it again?" He asked for her permission and she almost laughed.

She pushed him away to crawl on four, her breasts hanging off making them look bigger.

"What are you waiting for, Haise–kun?" She wiggled her ass towards him.

Hurriedly, his hands groped her breasts, his cock found her pussy.

When Touka returned home the next afternoon, she was disgusted to find the whole house smell of cum and juices from three different women. She could hear loud moans coming from her room so she opened the door carefully.

Her heart broke when she saw Hairu on top of her husband on their bed. They were mouth to mouth, her breasts pressed against him, his hand groped her ass as their hips moved and they reached orgasm together.

7. Kaneki x Furuta X Touka

Hairu, or every other girl were supposed to return the next morning. Kaneki can be cured by having sex with each of them only once, there was no need to do with them multiple times.

But she knew her husband too well. He's a beast in the bedroom. His libido level is extremely high.

But that shouldn't be an excuse. He's cheating on her. Even the kitchen, his office, and the hallway smells murky. She doesn't want to think how many times he had done it with those girls. Hinami, Eto, Hairu.

Fine. If he can cheat on her, she can cheat on him too.

She dialed Furuta's number.

"Are you sure?" His hands running up and down her sides, feeling her sexy curves.

"I'm pregnant anyway. So it's fine." She pulled him towards her and they shared a searing kiss.

"You know..." she started to undress herself. "Associate Special Class admired you so much." She worked on his shirt, he helped her removing it.

"He always wants to see you. Parking the car outside :Re just to observe you from afar." Her hands working on his belt now, unbuckled it and pulling his pants down. He was semi-hard.

"I admired you too but I couldn't say it loudly..." He unhooked her bra and pulled down her lacy panties.

"You're beautiful." He stared at her naked body. She blushed. This was her second time showing her body to someone other than her husband.

But she feels excited.

"Associate Special Class should treat you better." He started to kiss all over her body. She moaned when he gave extra attention to her breasts.

"These are huge... is it because of your pregnancy?" He ran his tongue across her breasts, swirling it until it reached her areola and nipples. Then he bit each of them. Then sucked.

His hand found her pussy. She was wet.

"Does the thought of me fucking you turn you on so much, Kirishima-san?"

"Yes."

He laid her down onto the hotel bed, his body on top of her.

"What do you want me to do?"

"Fuck me."

"How? Do you want my finger?" He slipped his fingers into her entrance.

"Or my tongue?" He licked her clit, then bit it softly.

"Or my cock?" He rubbed his length on her wet entrance.

Touka was in extreme pleasure. She wanted all of them. But right now she needed him inside her.

"Your cock. I want your cock inside me. Haah."

He kept on rubbing instead of pushing it inside.

"Beg for it."

"Please."

"Louder."

"Please fuck me!"

"Good girl."

His cock filled her walls, she moaned at the intensity of it. He took his phone and started to take picture of her, of where they are joined.

"I wonder how Associate Special Class will feel when he see this?"

"I don't care."

"Really?" He seemed surprise.

"I've seen him fucking Rize and Hairu. He deserved it."

Hearing Rize's name boiled Furuta's insides. He sent the photo to Kaneki then he immediately thrust into her roughly, hitting her g-spot.

"Ahh! Harder!"

He obeyed her, groping and pulling her breasts roughly too as his cock hit her sweet spot.

"I've always wondered how your pussy feels like. Haah. You feel so good, Kirishima-san."

"You feel good too, Furuta. You're so big. Bigger than Kaneki's." He smiled.

"I'm glad to hear that. Now, let me make you feel better." He started pounding at a fast pace, leaving her moaning and clawing his shoulders.

"Ahhh! Furuta!"

"Kirishima-san. Guhh!"

She came, and he followed after, spilling his seed deep inside her womb.

It feels good to fuck a pregnant woman because she will not carry your child no matter what.

He was still hard, and they had multiple positions before the door of the hotel room opened. Kaneki was shocked to see Furuta was eating his wife's pussy on the bed.

"Touka-chan, what's going on here?"

"You cheat on me. I'm doing the same now."

"But, I'm in heat."

"You did with them multiple times, Kaneki. Ahhh!" Furuta sucked her breasts. "That's cheating – oh my God Furuta!" Furuta entered her and started to hit her g-spot. Tears started to fill Kaneki's eyes.

"You'll get Furuta after this. Don't worry, Kaneki. Ahh! I still love you."

"I love you too, Touka-chan. I'm sorry for cheating on you."

"I understand why you cheat, Kaneki. It feels so good. Haah. You feel so good Furuta. The other girls must feel so good too, don't they?"

"Y-Yes."

"Then, ahh! Are you mad at me for doing – *ahhh!* – this?"

"I can't be mad at you."

"Great – kuhhhh Furuta! Faster!"

Kaneki just watched as Furuta filled his wife with his cum and kissed all over her body, paying extra attention on her breasts. He twitched. Touka's breasts are supposed to be his. Only his.

"She feels so good. You're a lucky guy, Associate Special Class."

Kaneki didn't say anything.

"I was in your dream, right? Do you want to fuck me?" Furuta started to walk towards Kaneki and he cupped the former CCG's cheeks.

"Yes."

"Then please do."

He pulled Kaneki down towards the bed, Touka shifted aside to give them space. Furuta was wet with his own cum and Touka's juices that Kaneki doesn't need any lube.

"You fucked my wife." Kaneki rubbed their cocks together. They moaned.

"She asked for it. I even recorded a video. She was such a slut for my cock. She said mine's bigger than yours –"

"Shut the fuck up!" He entered Furuta's asshole, and the guy screamed at the intrusion.

"Does this feel good?" He hit his prostate, and Furuta moaned at the intense pleasure.

"You feel so good too. Kuhhh! Your wife and you, both of you feel so good."

Kaneki was jealous. Furuta sent a picture of his cock buried deep inside Touka, and her face was full of pleasure.

He knew he cheated on her but the thoughts of her doing the same angered him.

He thrust harder, all the while looking at Touka with a disappointed expression on his face. Touka just smirked.

"Take this, Furuta." He shoot his seed inside, making Furuta sighed happily.

In the bathroom, Touka crawled on four as she sucked Furuta's cock and Kaneki taking her pussy from behind. It seemed like both of them didn't want to lose to each other. Furuta made Touka used her throat, and Kaneki slammed into her so roughly. The moan vibrated from her mouth gave Furuta pleasure. And her slick walls clenching Kaneki gave him pleasure.

Touka came first, followed by Furuta as his hand used her head to bob his cock. Kaneki came the last, filling Touka with his seed to replace Furuta's in her.

The guys weren't satisfied yet.

"It's my turn to fuck her."

"But I'm her husband."

"Let's ask her, then. Do you want my huge cock in your cunt, Kirishima-san?"

Touka smiled while looking at Kaneki.

"Anytime. I need to feel you, Furuta. Fill me up with your cum."

"See? You can take her ass, okay?"

Kaneki frowned, but he agreed.

Furuta fucked her pussy, while Kaneki fucked her ass. All the guys are standing with Touka in the middle. Her legs are between Furuta's hips. Her body crushed against his. The feeling of having cocks in both her pussy and ass were too much that she had multiple orgasms. The guys weren't stopping until they had theirs, filling her holes with their cum.

All of them became tired and went to sleep on the same bed with Touka in the middle.

Kaneki woke up with the scene of his wife riding Furuta. They were kissing, her breasts against his chest and their hips moved rapidly until they reached their orgasm. Touka caught his eyes, she smirked then kissed Furuta passionately while she ride him out of his orgasm, milking his cock.

This was the position Touka caught him with Hairu before she slammed the door closed and left the house.

Karma is a bitch. He, too, is a bitch. Touka too.

He promised not to cheat on Touka again.

But it was hard to keep his promise as the next one to visit him is Itori.

8. Kaneki x Itori

"Before we start, I just want to tell you that we should do it only once." Kaneki informed Itori, she didn't seem to care as her hands worked on his turtleneck and his pants.

"Are you listening, Itori-san?" She lifted up her blouse, Kaneki almost had a nosebleed staring at her large breasts.

"Itori-san!" She kissed him, rubbing her clothed core against his erected cock.

"You're such a man now, Kaneki." Her lips trailed down his neck, his chest, his stomach.

She kissed the tip of his cock, sucking the head and running her hand along his length. His pre-cum leaked out, she licked them sultrily. He groaned.

Kaneki couldn't take it anymore. Itori teasing his already hard cock and he didn't think he could wait any longer.

He pushed Itori on the bed, positioning her legs on his shoulders as his cock buried deep inside her vagina.

"Hahh... your pussy is so tight, Itori-san."

"No. It's because your cock is so big." That seemed to boost Kaneki's self-esteem and he pounded into her non-stop.

"Ka-Kaneki!" Itori screamed as his thrust went deeper, hitting her sweet spot deliciously.

His mouth found her large breasts, it was soft, softer than Hairu's perfect breasts.

"I'm close."

"Me too. Let's come together, Itori-san." He thrust harder and faster into her, her hands gripping the sheet from his rough thrust.

They were close. Close. So close.

"Ahhhhh!" Itori and Kaneki moaned as they came together, her slick folds squeezing his cum out of his cock. He kept on thrusting, spilling his seed deep inside her to ride his orgasm out.

Kaneki pulled out, lying on the bed and preparing to sleep. His cock was still hard but he does not want to cheat on Touka anymore.

"You're still hard, Kaneki-kun." Itori rubbed his erection, her hands sliding up and down his slick cock.

"No, Itori. I don't want to cheat on Touka anymore... We have to do it only once..." He explained, but his eyes were filled with lust.

"Awwh but look at your cock... it wants me again..." She kneeled down on him, licking the tip. It twitches.

"Haah. Touka will be angry."

"She won't know... just keep it as our secret." She sucked the head. His eyes closed in pleasure.

"Stop, Itori." He bucked his hips up. He couldn't help as Itori was just too good in sucking him.

"You're telling me to stop but your body is telling me otherwise. See how much cum you're leaking here, Kaneki-kun." She gave kitten licks on his tip, tasting his pre-cum, teasing him. His hands tangled on her hair. He was giving in.

"I really, really need you to stop. Please."

"I will not stop, Kaneki." She sucked harder and fondled his balls.

"Arghh! Itori please!" He pushed her head down, making her throat hit his tip, using her until he came. She drank all of his cum, leaving no excess behind.

"Wow. That was – amazing." He panted.

"I'll make it even more amazing." She started to squeeze her large breasts between his cock.

"Fuck!" He swears. The sight was amazing. 2 days ago he did this with Hairu but when Itori was the one who did the work... and when she sucked him so hard when the head reached her mouth...

Fuck his promise to Touka. He wants to fuck Itori all night long without sleeping. Her large breasts drove him crazy. Itori has the largest breasts amongst all of the girls he had fucked.

He will not let it goes to waste. He will fuck her and suck on her tits all night.

When he came, his seed landed on her large breasts. It made her look very lewd.

"Fuck Touka. I want you, Itori." He pushed her down and kissed her senselessly. His tongue stroking hers, his hands groping her large breasts which didn't seem to fit his hands and his hard cock rubbed her wet pussy.

"Fuck me again, Kaneki! I want your cock inside me!"

His cock slammed into her. His hands slapped her breasts before he grabbed and pulled them. He was rough, but it only turned on Itori more.

"Why do you want my cock?"

"I want to have your baby."

Fuck Touka's rules of birth control. He wants all of these girls to have his baby if he could.

"Beg."

"Give me baby, Kaneki. I want to have your baby!"

The thrust became harder and harder.

"You want to carry my baby?"

"Yessss! You're a strong man now. I want to have strong babies! Only you as our King can give me strong babies!"

"Then, take this!" He pounded into her at an inhuman speed, making her scream incoherently as his cock thrust deep hitting her cervix, and his hot cum filled her.

"Ahhhh! Kaneki!" She screamed as she came, the clenching of her walls was too powerful that Kaneki's cum seemed to double than the usual amount.

He pulled out, carried her in his arms as he brought her to the bathroom.

He slammed her onto the wall, his kagune pinning her hands and legs. His cock found her pussy once again, and his other kagune was fucking her ass.

"I want to touch you." She begged.

"No you can't. Only I can touch you."

His hands slapped her breasts again, then he squeezed them, pinching her nipples, sucked the peak and licked every inch of her breasts. They drove him crazy. He knew he's a breast person but Itori's are next level, like a Goddess' breasts.

Itori came over and over again because of the stimulation she had, but Kaneki wasn't about to let her rest yet.

He really wants to fuck her all night long.

After several hours, Itori passed out. But he kept on pounding into her. Filling her womb with his seed.

He wants to hear good news from her a month from now.

9. Kaneki x Akira & Amon x Touka

"I can't believe I was in your dream..." Akira sighed as she put down her leg onto the table. Kaneki seemed sheepish around her. He loves Akira like a mother, so the thought of having sex with her somehow makes him nervous...

"Make it quick. I have work to do."

"Okay, Akira-san." He blushed. Despite her uninterested expression, she was actually wearing a very sexy lingerie underneath her clothes.

"Akira-san..."

"Come here. Kiss me."

He gulped. Then he did. Slowly kissing her, she responded immediately, wrapping her arms around his neck.

She removed his clothes until he was in his boxer, then straddled him onto the bed.

"How do you want to do this?" She asked.

"Up to you, Akira-san."

"Just call me Akira."

"Okay, Akira."

"Then... I want you to show me what a man you are. I've known you since you were in Rank 3. Now you're a King. Show me how grown up you are now, Haise."

He lifted her dress up, and she helped him removing it. His hands immediately found her breasts.

"Oh?" She asked in amusement.

Even though he had done this with so many girls, he was actually being very shy around Akira. She seemed intimidating, and no matter how much he wants to take her, he knows he need to take it slow.

He massaged her breasts, carefully teasing her nipples, observing her reactions. She looks like she was enjoying it.

"Haise." She moaned his name and he quickly pushed her onto her back, he's now on top of her.

He remover his boxer, and she smirked looking at his cock.

"You're definitely a real man now, Haise." He blushed. She could make him blush so easily. It's unfair.

He kissed her collarbone, down to the valley of her breasts then his lips found her toned stomach. His teeth found her panties edge, and he pulled it down using his teeth.

"Wow."

He then licked her clit, he was surprised to find out she was really wet. He didn't know she would be turned on by him.

His fingers stroke her, but she stopped him.

"Stop teasing me. I told you I have work after this."

"Okay." He positioned his cock at her entrance, then he pushed in.

Akira moaned. She was expecting Haise to be much smaller than Amon, but she was wrong. He wasn't as long as her boyfriend, but the girth was almost the same.

He pulled out halfway, then pushed in again repetitively.

"Do you have to cum inside?" She asked. He wasn't sure, but he really wants to. He loves Akira. She was his mother figure but their age

difference wasn't that big. And whenever they were sparring, her training outfit actually teased him. He had wet dreams of her when he was in Rank 3. Before he knew Hairu, he always used Akira as his fapping material.

"Yes. And..."

"And...?"

His lust overtook him.

"We need to do it multiple times."

"Oh. I didn't know about that."

He felt guilty for lying, but he wasn't about to let her go so quickly.

"Then, use a condom." He freezed. Condom? All other girls seemed eager to have his baby, but Akira is different from other girls.

"I don't have any."

"I didn't bring one too... nevermind. Amon and I have been trying for months now, I don't think I'll get pregnant from this.

Kaneki nodded. The thoughts of her having his baby seemed to spur him on.

He raised her hips, hitting her sweet spot which made her come quickly.

He seemed to be able to hold in longer this time, so he kept on thrusting, his lips found hers as their hips moved together again.

When he finally came, he kissed her as deeply as he could. There was something that made him acting so gentle tonight. He wasn't horny as usual, even if he does want to fuck her.

"You're so warm, Haise." She smiled. He smiled back. His hand cupping her cheek before he leaned down to kiss her again.

"I love you." He muttered. He really meant it. Romantically.

"I love you too, Haise." She meant it platonically but he took it as romantically.

"I love you." and "Akira" came out of his mouth repetitively as he thrust into her, nibbling her ear.

She moaned "Haise" as her reply.

After they had done it three times, he fell asleep in her arms. His head buried in her breasts.

She forgot about her work. Being with Haise calmed her.

When Kaneki woke up, Akira was having a shower in his bathroom. He immediately went inside, surprising her from behind by hugging her waist and kissing her neck.

"I almost broke your arm. Don't do that again next time."

Next time?

"I'm sorry." He said. They then shared a kiss.

"Can I join you?"

She wanted to say yes but his erection poking her ass tells her they would be doing something else instead.

"Of course."

She was right.

Not that she was complaining.

Haise was very gentle with her. Making love with him was even more gentle than making love with Amon. She felt slightly jealous of Touka for having him. She wants to have him too...

"Take me again?" She kissed him, grinding her hips towards his still hard cock.

"But Touka will be home soon."

"Then... let's go to my house."

Kaneki spent the whole day in Akira's house, telling Touka he went to Hide's house.

Touka doesn't believe him. She went to Akira's house and saw him fucking her in her room from afar.

Disappointed, she took a picture of them and showed to Amon.

Amon and her had an intense rough sex as a revenge.

"Faster! Harder!"

"You're so tight, Touka-san." She was small, but wilder than Akira. And she came very easily, making it hard for him to hold in any longer.

He gripped her hips as he thrust at a fast pace. She came at least three times before he came inside her.

Amon was rough, just the way she liked it. He was longer as well. And lasts much longer too. She had so much fun deep throating and having him inside her pussy.

The next day, she found out that Amon and Akira has broke up. Amon said she could come to his house anytime Kaneki is having sex with someone else.

It was worth it.

What Touka didn't know was, Kaneki had been showing up at Akira's house whenever Touka was in Amon's house. Being with Akira calmed him. He felt safe. And having sex with Akira was like having a whole new adventure.

Kaneki and Touka's marriage is so fucked up.

10. Kaneki x Saiko

Kaneki's cock was at Saiko's entrance, he stopped his advance on her when he saw her uncomfortable expression.

"Saiko-chan? Are you alright?"

"I'm scared, Maman."

"Why?"

She stared at his cock.

"It's so big... I've never done this before."

"You'll be fine, Saiko-chan. I'll be gentle." He kissed her forehead, his hand caressing her cheek.

"But I'm scared. Sorry. Can we play games instead?"

He was surprised. His cock throbbing and twitching but he does not want to rape her. So he nodded at her request.

Still naked, she brought out her PSP and lay against Kaneki's chest. She could feel his erection poking her, but she ignored it.

"What are you playing?" He asked, his lips kissing her neck, his hands rested on her stomach.

"This." His eyes almost popped out looking at the screen. The characters are... having sex.

"You can play this kind of game but you're afraid of us doing it? Why?"

"Because I want to do my best for you."

"What do you mean?"

"I heard from Touka-chan... you're not doing this with just me. You did it with a lot of girls before."

"So?"

"They are very experienced... They were able to make you feel good... I'm scared that I'm not useful. I want to make you feel good too..."

"I already feel good because it's you. I care for you, Saiko-chan." He kissed her neck.

"Haah... Maman... I care for you too...But can you please take a look at this game? Is this the correct way to pleasure a guy?"

The female character on the screen was sucking the male's cock, while the male was eating her pussy.

"There are a lot of ways... but yes. 69 is one of them."

"Then... can we do this instead?"

"Of course."

"Alright, I'm ready." She laid on her side, waiting for him to do the same.

She was so cute, he thought. He had never done this with Touka so it's a new position for him too.

He laid on his side, his face was on the same level as her pussy. His cock disappeared inside her mouth.

Damn it. She's good.

He immediately found her vagina, parting her labia to kiss it sultrily.

They lapped, sucked and ran their fingers on each pubic part.

"Mamannhhh!" Saiko moaned as Kaneki fucked her with his tongue.

"Make me feel good too, Saiko-chan."

She squeezed Kaneki's balls softly, running her tongue along the underside of his shaft before she sucked the head again. Then she went deeper, hollowing her cheeks which made him groaned and pinched her clit.

"Mmmh! Hmmh!" Her moans gave more pleasure to him, he increased his effort on her.

"Your mouth feels so good. Haah. I'm close, Saiko!" Saiko's juice was overflowing now, wetting his chin. His pre-cum was appearing more and more, so she licked those and sucked him harder.

"Saiko!" Kaneki screamed as he shoot his cum deep inside her mouth, and Saiko had her orgasm once he grazed his teeth on her clit.

They spent minutes licking each other's overflowing essence.

"Haah... You did great, Saiko-chan."

She kept on licking him again even when there was no more cum.

"Guhhh! You're making me hard again."

She laid on her back, displaying her pussy to him.

"I'm ready now, Maman. Take me." She was displaying herself so openly and lewdly. His cock twitches at the beautiful sight.

"Are you sure?" His eyes darkened.

"Yes. If it's with you, I'll be fine. Even if I get pregnant, it's okay. I want to have your baby, Maman."

"Saiko-chan..." He wondered why so many girls want to have his baby, but the thought of it turned him on so much because it means he can fuck them all night long.

"We won't be getting any sleep tonight, Saiko—chan. You're fine with that?"

"Yes. I've always been your baby. I want to give you a baby too. Take me, Maman."

He kissed her, tongue to tongue, pinning her hands while his hard cock rubbing her wet entrance. They moaned in unison.

He groped her large breasts, hers are bigger than Itori's and it turned him on so badly. He gave small bites and suck the mounds making her writhe under him.

"Maman! It feels so good!"

He kept on massaging them, giving special attention to her areolas and nipples until she came just from being stimulated from breasts alone.

"Haah... Maman. I'm ready... Give me a baby... Please..." She panted, pulling up his head to kiss him. Their tongues stroke each other sensually.

"I'm going in, Saiko—chan. Tell me if it hurts." She nodded.

It wasn't painful at all. She did feel uncomfortable, but Kaneki's cock filled her so perfectly like they were made for each other.

He started thrusting into her pussy, hitting her sweet spot continuously while his mouth continued to assault her huge breasts.

"Maman! More!" He quickened his pace, lifting her legs on his shoulders and kissed her calves.

She screamed as she came, her legs wrapped around him tightly.

"Guhhh!" Her walls clamping him almost sending him to the edge. Her pussy was so tight, it felt *so good*.

"Saiko, I'm close!" His thrust started to lose its finesse, all he cared about was to reach the release he was chasing.

"Cum inside, Maman! Give me a baby!" That triggered him as he shot his seed deep inside her womb. It triggered her own orgasm too so her walls clenching him more, milking more of him.

"I love you, Maman. Do you love me too?"

Kaneki smiled, kissing her forehead.

"I love you too, Saiko-chan." They shared a passionate kiss, Saiko's eyes are teary because he loves her too.

He pulled out his cock after a moment, then proceeded to play with her breasts again.

Then he took her over and over. Touka doesn't come home anymore these days, but Kaneki doesn't mind. It allows him to spend the night in Akira's house making love all night when no one visits him. His feelings for Akira grow stronger each day because she takes care of him so much better than Touka does.

In the end Saiko stayed for three nights, having sex with him with all the different positions that he was 100% sure his sperm found her egg.

11. Kaneki x Nashiro x Kurona

"We are here to give you pleasure." Nashiro and Kurona appeared at his front door. They made it sounds like a TV commercial. Or porn commercial.

The thought of fucking two girls at the same time really turned him on. He wanted to try, after he came back from Dragon, to ask Touka if she mind to have threesome with Saiko since Saiko has been showing interest in him romantically.

But he was scared of his wife, so he didn't say anything.

But here he has the chance of fucking two girls at the same time... he licks his lips in anticipation.

"How will you do that?"

"By having sex with you. At the same time, together." His cock became even harder.

"Then, show me."

Nashiro held his hand, taking him into the kitchen and laid him on the dining table after she stripped him off. The twins removed their clothes completely, they have small breasts but their pussies are cleanly shaven and their legs look very strong.

Kurona took out a coffee whipped cream and began to pour it onto Kaneki's entire body, paying extra attention to his cock. He gulped in anticipation.

"Itadakimasu~" both Nashiro and Kurona began to 'eat' him, licking the coffee off his body. Kaneki was in heaven, they haven't even touched his cock yet but –

"Ahhhhh!" He screamed when each one of them licked and sucked his balls, running their tongues from base to the tip and sucked the head.

The effect of having two tongues on his cock gave him more pleasure. He wanted to fuck them so badly. His pre-cum has been leaking so much that it hurts.

He felt sharp tongues licking the pre-cum and he lost it. Shooting upwards that the cum spilled on the twins' faces and his stomach.

The twins licked their faces off, then licked the cum on his stomach to clean him up.

"Girls. I can't take it anymore. I need to fuck your cunt right now."

"Patience, brother."

They called him brother. They're gonna be the death of him.

After he was cleaned, Kurona climbed onto the table and positioned her pussy on his face, her ass facing him. She was kneeling between his face. He smirked at the girl, knowing what she wants him to do.

But his cock needs attention so badly – he began to buck up and – he groaned when it went into a pussy. Nashiro was riding him. It was warm, tight and squeezing him. It felt so good.

"Haah. Nashiro. Your pussy is amazing."

"Hey. How about mine. Don't forget to do your job here." Kurona pushed her cunt further into him, and he lapped her cunt while spreading her thighs further. Her juice tastes so sweet, he's intoxicated by it.

"Don't stop, brother." Kurona shouted. His hips bucking up frantically as a sign for Nashiro to keep on riding him.

Nashiro leaned back slightly so that Kurona could lean forward, running her tongue on Kaneki's length as Nashiro raised her hips up. When she

pushed down, Kurona runs her tongue on Nashiro's clit. Kaneki could feel both pussy and tongue on his cock. His stomach felt Kurona's breasts as she was lying on him. This position is amazing.

Nashiro kept on moaning when Kaneki hit her g-spot and when Kurona teased her clit and cunt. Kaneki went to heaven when he tasted Kurona's juice, her breasts pressed against his stomach, her tongue tracing his cock and Nashiro's pussy squeezing his cock. Kurona kept on moaning as Kaneki sultrily lapped her cunt while his hand grazed her clit.

The kitchen was filled with moans until all three of them cum together at the same time, Kaneki's seed filled Nashiro's pussy while Kurona's juice filled his mouth.

"Let's clean you girls up." He said as he's slapping their ass cheeks.

In the bathroom, Kaneki had Kurona facing the wall as he entered her pussy from behind, his hands grabbing and squeezing her pert breasts and his kagune tentacle in the shape of a dick sliding repetively in Nashiro's pussy. While Nashiro has her kagune tentacle up Kaneki's ass and her breasts rubbing him from behind. He could feel her nipples and the softness of her breasts against his back.

"Haah. Your pussy is so warm, Kurona." He whispered into her ear, his tongue playing with her earlobe. "Your breasts rubbing me feel so good, Nashiro." Nashiro responded by pinching his nipples and bite his shoulders to eat some of his meat. He groaned.

"Next is my pussy's turn to have your cock." Nashiro said. "Please fuck us all night, brother."

Kaneki turned around, kissing Nashiro searingly.

"All night? Touka does not live here anymore. I can have you girls for the whole week if you want to." Although he did wonder where his wife has

gone to, he was sure she knew that he's cheating. Doesn't matter, she's still carrying his child. She can't run from him forever.

"The whole week? Are you sure?" They seemed happy.

"Yes. Do you girls like it?" He thrust into Kurona harder and faster, making the girl grind her hips back into him. His tentacle in Nashiro's pussy started to gain its pace too.

"Ahhh! Yesss! Please fuck us the whole week brother!"

"Roger that." He pinched both Nashiro and Kurona's clits, making them had orgasm at the same time while his cock and tentacle still pounding their pussies.

"Brother, please cum! Inside!"

"Haah..." His hands groping and pulling Kurona's breasts, his hips increased its pace, and feeling Kurona's warm pussy clamping his cock sent him and his dick tentacle to the edge.

Both his cock and his dick tentacle shoot cum into the twins' pussy. It was too much that it leaks out. The twins weren't wasting them so they dip their fingers at the dripping cum, and lick them.

Nashiro wasn't finished licking the cum because Kaneki pushed her against the wall, fucking her pussy next while his dick tentacle entered Kurona.

Threesome is great. Kaneki wish he could marry all of these girls he has fucked to have his own set of harem heaven.

During the one week, when Kurona's pussy was sore or she was tired, he fucked Nashiro. And vice versa. It was great to fuck them on his bed – his and Touka's bed knowing that Touka is not home.

The bed does not have Touka's scent anymore, replaced with the twins' as they were there the whole week. Their juices spilling onto the sheet, and his cum stain was everywhere. On the walls, table, floor, carpet, balcony.

Having sex on the balcony with the two girls were the best experience ever for him because he can show his neighbor how lucky and great sex partner he is.

On the seventh day, their pussies and legs were sore they couldn't even walk. But Kaneki still fucked them. They didn't complain, they were even begging for his cock.

What a great week.

12. Kaneki x Eto & Kaneki x Akira

Kaneki was still hard. He has two person left to fuck but he miss Akira. She was the only one who can control his libido, and she loves him, she confessed that last week and he was more than happy to hear that. They made love gently on that night, and he realized that he had fallen for her completely.

He was ready to go see her, but when he opened the door, he saw someone unexpected.

"Eto..."

She was wearing only bandages covering her breasts and pussy, her eyes darkened with lust as she stared at his hard erection through his pants.

"Going somewhere?"

"Yeah..."

"Mado Akira's house?"

"How—"

"I know everything, Kaneki—kun. Don't you want to know where Touka is? What if she's cheating on you?"

"It's fine."

"Really? Why?"

"Because she's carrying my child. So no matter how many men she's sleeping around with, she will not get pregnant."

"That's what you think."

"What do you mean?"

"Forget about it. Talking about pregnant... I got my period last 2 weeks." She walked into his house, closing the door, wrapping her arms around his neck.

"That's... a waste."

"Yes, I agree. That's why I'm here."

"You want me to..."

"Yes. Cum inside me until I get pregnant."

His eyes darkened at her request.

They didn't even get to his room, he pulled his zipper down and pushed into her entrance against the wall.

It feels so good that they both moaned in unison.

"Fuck me all day, Kaneki." She bit his neck, swallowing some of his meat.

"All day? I wish I could fuck you everyday, Eto."

"You do? Does my pussy feel that good to you?" Her legs wrapped around him, moving her hips with him as they're thrusting.

"Yes. You have the best pussy, Eto. Kuhhh! Look at this." He pulled out, showing her the pre-cum on the tip. "My cock loves your pussy so much it can't wait to shoot these cum into you."

"When did you start to talk so dirty?" She fondled his balls, then ran her hands on his cock before squeezing the tip slightly, causing more pre-cum to flow out.

"Harghh... I learned it from you." She pushed herself to his cock again, sheathing it into her vagina.

"I love it. Come on, fuck my pussy with your big cock till I can't walk."

He smirked.

"That's my specialty."

He thrust in and out at a high speed. She let out a high pitched moan with each thrust. His mouth found her nipples, grazing his teeth on them and leaving love bites.

"Fuck! Play with my boobs more!" He massaged her breasts, pulled them, squeezed them, pinched her nipples, crushed them with his chest, and ran his tongue on every inch of them.

She came from the sensation, clenching his cock through her tight walls.

"Haah. Is that enough?"

"Yes! Harder! Faster!" He obeyed. Increasing his pace until he shoot his cum deep inside her womb. She squeezed her walls, milking more of him.

"That was awesome, Kaneki. Let's go to the bed."

Still hard inside her, he carried her to his bedroom, lying her down onto his bed and he started kissing her all over the place.

"Ahh... Kaneki, stop teasing me. Just fuck me."

"You want my cock? Hm?"

"Yes, I want it I want it I want it."

"Why?"

"To carry your child! I want to have your child! Fuck me Kaneki!"

"Beg for it, you slut." He slapped her breast.

His words and that action seemed to turn her on.

"Please, please please please pound your hard cock into my pussy!"

"Louder!"

"I WANT YOU TO POUND YOUR BIG HARD COCK INTO MY THIRSTY PUSSY AHHHHH!" She screamed as he began to pound at an inhuman speed, making her cum over and over again.

"Fuck! Kaneki that was too much! Please cum!"

"You want to have my cum?"

"Yes! Please! Shoot your cum inside me!"

"Then take my cum and don't let it drip out!" He shoot inside, it was a lot, warm, and it triggered her orgasm again. They screamed and it would have awaken everyone in the neighborhood.

"Look how much I've filled you." Her stomach looks really bloated now. I'll fill you like this every time we do it, for three days. Do you like that, Eto?"

"Yes! Fill me up Kaneki!"

He smiled. It was the most wild, dirty and enjoyable three days he ever had.

After spending three days with Eto, he finally had the time to visit Akira. She welcomed him warmly, kissing him passionately to show him how much she missed him.

"I miss you so much, Haise." She began to work on his pants, pulling his hard cock out and he lifted her skirt and pulled down her panties.

"Me too. My body is screaming for your company this whole time." She was pushed against the door, his cock entered her already wet pussy.

"Haah... how do you manage to feel so good every single time?" He kissed her senselessly, cupping her cheeks.

He came very quickly this time, unable to hold back and because Akira just knows how to send him to the edge quickly.

"Let's have a bath."

She rested her back against his chest, his hands were resting on her stomach. It may be an instinct, but she put her hand on top of his, caressing her belly. She was wondering if she should tell him.

Her thought was interrupted when his hands went higher and groped her breasts. She moaned when he massaged them sensually.

His thumbs grazed her nipples and he pinched them, pulling them. His cock rubbed her ass. She reacted by grinding her ass to his cock.

She turned around, straddling him as she raised her hips and buried his cock inside her pussy. It feels so good. Kaneki was moaning loudly, his mouth finding her neck and upper breasts, one of his hands still massaging her breasts while the other one rested on her waist.

When he bucked up, she slammed down and it created a great sensation between them.

She wrapped her arms around his neck, kissing him passionately and their tongues softly dueled with each other.

"I love you so much, Haise."

"I know. Haah. I love you so much too." He moaned when her walls squeezing him too tightly, and she moaned when he hit her sweet spot.

When they came together, it was a beautiful moment. No dirty words, no rough sex. Just a love making.

Still having him inside her, she rested her head on his chest. He ran his hands up and down her sides, feeling her curves.

She looked up, staring into his eyes.

"I'm pregnant. It's your child."

Kaneki was not surprised. With the amount of the time they spent together, she was bound to be.

"I'll take responsibility."

"How? You're married."

"Touka, she... she doesn't come home anymore."

"Don't you miss her?"

"I do. But..."

"But?"

"I love you. More than I love her. I love you so much, Akira. When I'm alone in my house, you're the one I think about. Will you stay by my side forever?" His eyes were serious. She almost cried hearing him.

"Yes." They shared a deep kiss, and they made love the whole night.

13. Kaneki x Mutsuki

When Mutsuki arrived, she had a cunning smile on her face. He let her in, but as soon as he closed the door she immediately kissed him. Because she was in his dream, his cock still twitches for her and wants to be inside her.

Now, he was naked, tied to the bed with his hands and feet tied to each bed's pillar.

"What are you doing, Mutsuki?"

"Don't be scared, Sensei." She caressed his cheek, kissing his lips then her tongue invaded his mouth. He kissed her back because he's in heat.

"I heard you did it with Saiko."

"Yes, I did."

"Saiko was very happy, she keeps on touching herself these days, thinking about you."

"Really? She should just come here. I'll make her feel better." Mutsuki glared at him. He gulped.

"I heard you did it with Akira too."

He blushed hearing his fiance's name. Mutsuki caught it.

"Why are you blushing?"

"I'll marry her soon."

"What?" She frowned.

"I love her. Touka-chan has been missing, so..."

"What if she comes back?"

"I'll still marry Akira. I love her more than I love Touka."

"How can I make you love me as much as you love her?"

"You can't. I've been loving her for years... since I was Sasaki."

"You don't love her. You were just craving a mother figure."

"No. No child would think of making love with his mother."

"That's true. Have you ever thought of making love with me, sensei?"
Her eyes darkened as her hands pumping his length.

"N-No..."

"Too bad. You'll beg for it soon."

She began to strip. He had seen her naked before, but today she looks gorgeous. His cock twitches at the sight of her.

She teased him. Kissing his neck, collarbone, nipples, stomach, inner thighs, and calves. But she never kissed his cock. His pre-cum began to leak despite that.

She licked his balls, then ran her tongue along the veins. He hissed. His cock was so hard.

He wants to fuck her. He needs to fuck her.

"Mutsuki... please."

"Please what?"

"My cock needs you..."

"Needs me? What does it need me for?"

"Your pussy. I want to fuck your pussy."

"Will you give me a child, Sensei?"

"If you want to, then yes."

"Has anyone become pregnant yet?"

"Yes."

"Who? Akira?"

"Yes. But I want to marry her even if she's not pregnant."

"Sensei."

"Hm?"

"You shouldn't talk about marrying another girl in front of a girl you're having sex with." She held his cock, making the tip touched her entrance. They both moaned.

"Haah... You haven't entered me yet but you already feel so good..." She kept on rubbing his cock on her wetness.

"Mutsuki... Please. Don't tease me."

"Am I?" She licked the pre-cum and sucked the head, swirling her tongue around it.

"Nghh... Mutsuki..." She loves hearing her name coming out of his lips.

She sucked harder, her hand pumping his length continuously.

But when he was about to come, she stopped.

"Why?" He whined. His hips bucked up, desperate for contact again.

"I want you to beg for it."

She spread her leg, showing him her wet pussy and Kaneki could see that she was dripping. Her fingers slipped into the entrance, her other hand played with her breasts. He almost drooled at the beautiful sight. His cock was so hard and pre-cum leaking out more freely that he doesn't think he can take it anymore.

"Mutsuki. Please, I want my cock inside you."

"Beg for it." She now rubbed his length on her dripping pussy. He groaned at the slickness. He knows her pussy is going to be heavenly.

"Please. Please please please I need your cunt. I want to cum inside you."

She kept on rubbing, moaning as his cock has become so much slicker now because of his pre-cum and her juice.

"Hnghh. Mutsuki. Stop teasing me."

"You want to have your cock inside me?" She rubbed the tip at her entrance.

"Yes. Please!"

"Beg louder."

"Please! Let me fill your pussy!"

"Louder!"

"PLEASE PUT MY COCK INTO YOUR PUSSY I'M BEGGING YOU MUTSUKI! PLEASE!" He screamed in desperation and moaned loudly when she lowered her pussy, sheathing his cock into her. He groaned at the sudden tightness hugging his cock. She was too tight, and his cock was too big.

"Mutsuki you're so fucking tight! Hargggh!" He groaned loudly as her walls were squeezing him, all the teasing she did earlier made him

almost lose his control.

"Haah... Sensei. So this is how your cock feels... I want to feel your cock all this time." She began to ride him, her breasts bounced with each thrust, it was an amazing view.

He wanted to grab those breasts so desperately but his hands are tied.

"I want to grab them. Please!"

"You meant these?" She grabbed her breasts, pulled them in circles which made them look bigger.

"Yes. Please."

"What if... I do this?" She leaned down, lowered her breasts to his face and he immediately latched on them. Sucking on each breast like a starving baby.

"Haah... That was great." She pulled away to rest her body directly on his and started to ride his cock again. The feeling of her breasts on his chest was too amazing.

"Mutsuki... I'm close... guhh."

"You can't cum until I say so."

"Please. I need to cum."

"Inside me?" She whispered to his ear.

"Yes, inside you." He said it desperately.

"Let's cum together, okay?"

"Haah... Okay." Her hips started to gyrate on him, it was too much that he couldn't wait any longer.

"Are you close? I can't take it anymore."

"I'm close, Sensei."

"Great – haargh Mutsuki!" Her walls squeezed him, gripping his cock too tightly that he really, really couldn't hold it anymore.

"Sensei!"

"Mutsuki!"

They moaned as they reached orgasm together, white flashed their vision. They took some time to gain their breathing, and Mutsuki finally removed the constraints on Kaneki's hands and legs.

Kaneki was quick. As soon as those were removed, he immediately pushed Mutsuki down, kissing her with intense fervor, his tongue searching hers and his hands groping her breasts.

"Ahh! Sensei!"

"You tortured me, Mutsuki."

"I did? I'm sorry."

Kaneki just smirked.

"My turn now."

In the end, Touka was wrong. Mutsuki didn't want to kill him. She just wanted to feel wanted by him. So he made love to her like he wanted her, because his cock does want her tight pussy again and again after all.

His lust-filled eyes and her name being muttered showed her how much he wanted her.

"I love you, Sensei. Don't leave me alone again." She kissed him passionately as they ride out their orgasm for the fifth time that night.

He didn't respond to her feelings. But he did make a promise to her.

"I won't leave you. I promise."

He sealed the promise with a kiss and a vaginal penetration where he tells her that he won't ever leave her with every thrust.

14. Kaneki x Tsukiyama & Kaneki x Akira

To **Random Guy**: this fic has more girls than guys. And all the guys have girls action in the chapter too. I have about 10 girls and 3 guys. Please just skip the guys if you can't take it.

One final guy. Tsukiyama. Kaneki chose the eccentric guy the last because he doesn't want to deal with his eccentricness.

He wants pussies and breasts. Especially Rize's and Eto's pussies and Itori's and Saiko's breasts. Not asshole. Especially not Tsukiyama's asshole.

But if he were to choose which body he would like to hold every night, it would be Akira's. She's just perfect. He smiled, thinking of his child growing inside her tummy.

His house's bell rang. He opened the door and surprised to see Tsukiyama in a tuxedo.

"Bonjour, my King. How are you doing? When I heard about this from Kirishima-san, I was so excited. Please, use me, my King. I can't wait to have you pounding in me –"

Kaneki used his kagune to muffle the purple haired guy's mouth. He's too noisy.

"Shut up and let me fuck you."

Tsukiyama's cock became harder at the dominance displayed by Kaneki. He nodded, pulling down his pants and briefs once they are inside his room.

Kaneki was eager. This is the last person in his dream. His cock has been hard for one month because of his in heat cycle. He can't wait to get this

over with but he's also scared to return to his normal life. This one month is the greatest moment he has in his life.

"Take me, Kaneki-kun." Tsukiyama displayed himself on the bed, wetting his fingers with his pre-cum and used it as lube for his entrance.

"Such a manwhore."

"Only for you, Kaneki-kun."

"Listen. I don't prefer to do it with guys other than Hide so let's get this over with."

"Okay, my King."

Kaneki kneeled and slowly pushed his cock into the entrance. The older guy screamed, saying his dream of being fucked by Kaneki has come true.

"You're too loud."

"Because it's you. I've been waiting for this moment for years!"

"You were still waiting for it even after I'm married?"

"Yes. My dream is to taste you and have you fucked me."

"If you bite me, I'll kill you, Tsukiyama."

"I won't. Having you in me like this is good enough."

"Great." He thrust faster, hitting the prostate until Tsukiyama had his orgasm, his cum spilling on his stomach.

"Haaarghhh Kaneki-kun! You feel so good!"

"I'm cumming, Tsukiyama."

"Inside! Give me your cum!" With five hard thrusts, he spilled his seed inside Tsukiyama's asshole. He groaned, feeling his cock finally turning limp after one whole month of being hard.

"Finally!" He screamed. Relieved that it's over. Tsukiyama is glad he could help him with this.

"I'm glad it's over. It must've been hard."

"Yeah. It was *long*, and *hard*."

Tsukiyama smirked hearing the interesting pun.

"Do you want me to leave, or do you want to have one more round?"

Seeing his cock turned limp, he grinned.

"No thanks. I deserve a long, peaceful sleep."

"Exactly."

His peaceful sleep was interrupted by a wet sensation on his cock that made him woke up with a jerk.

He saw a girl with blonde hair bobbing her head on his cock.

"Akira. You're here." He immediately pulled her up to hug her, she was wearing lingerie that he bought for her last month. But he knew the lingerie will be taken off in a moment.

"Yeah. You're not coming, and I miss you, so..."

He lifted her night gown up, she wasn't wearing any bra or panties and his cock twitched at the beautiful sight.

She lay fully flat on her stomach, waiting for him to take her. They have never done this position before, but she knows he loves her neck too

aside of her breasts. This position allows him to kiss her neck from behind more comfortably.

Kaneki positioned himself behind and on top of her, she looked so vulnerable like this. He groaned as he entered her, it felt tighter than usual like this.

"You're so beautiful, Akira. I adore your beauty since I was in Rank 3." His fingers tracing her shoulderblades, his lips found her neck easily and he placed mouthed kisses on her shoulders.

"I know. Your eyes say everything back then. Even now. They tell me you love me."

"How much do you love me? I need to know. This is how much I love you." He grabbed her hair, pulling backwards as he thrust harder but slowly, showing her his love.

"Enough for me to risk my job and baring myself to you like this. I'm not good with words, Haise."

He flipped them over, Akira's whole body is now lying flat on his.

"Then show me." As he thrusts upward, his right hand began to grab her breasts and his left hand worked on her clit. She began to bounce on him and they both worked on reaching the orgasm together.

"Haise. I love you! Ahhh!" She moaned as the bouncing became more intense.

"Cum together, Akira!" The bed was squeaking due to the intensity. Kaneki's hands grabbing both Akira's breasts and they screamed as they reached their orgasm together.

He turned them sideways, they are now in a spooning position. They then shared a kiss and he pulled out from her.

"Please, from now on, just stay here. I need to see you everyday." He begged.

"What if Touka comes back?"

"She has been missing for almost a month. I think she's cheating on me."

"You still need to work this out soon. I'm not marrying you until you've divorced her."

He pouted.

"I love you. But I want us to be legally married."

"Okay. But for now, will you stay?"

"I will."

He smiled. She smiled back and they shared a searing kiss.

He ended his in heat cycle sleeping in the arms of the woman he fell in love with that is carrying his child and soon to be his wife.

Life is great.

15. Kaneki x Touka & Kaneki x everyone

The next morning, his mind has cleared up. He was shocked to see Akira was sleeping beside him when he woke up. And they were naked too. Then he remembers everything.

His mind was clouded during the in heat cycle. Now that it's over, he wants Touka back. He miss her. The woman he has fallen in love with and waited for him all these years.

"Good morning." Akira greeted him with a morning kiss.

He loves Akira too. And his child is growing inside her. But he doesn't want to divorce Touka.

Akira climbed on top of him and kissed him, grinding her hips against his. She already knows how his body works.

"Wait, Akira. We need to talk."

She freezed, she could see that he's back now, his mind is cleared and he doesn't have a lust expression on his face all the time.

But she doesn't want to let him go. She's pregnant with his child.

"Sex first, talk later." She pulled his hands to her breasts and he lost it.

It was so easy to seduce Kaneki Ken.

But this time he is even more gentle than usual. And he seemed embarrassed as if they are doing it for the first time.

So different from last night...

But she loves this Kaneki even more.

After she came, he flipped them over. He gained more confidence now. Thrusting hard and fast into her pussy.

"Akira... haah... your pussy always feels so good. Kuhh!"

"Cum inside, Haise." She wrapped her legs tighter around his hip, she doesn't want him to pull out.

"Harghh! I'm cumming!" His seed spilled inside her, and he keep on thrusting to ride his orgasm. His mouth sucked on her breasts.

It took him some time to become hard again, unlike when he was in heat cycle where his cock was hard all the time.

They made love three times more like they are doing it for the last time.

"I love you so much, Haise."

He stares at her. Then he kissed her. Even now he still loves kissing her and will never get enough of it.

He told her everything. That he still loves Touka and being in heat somehow clouded his mind. She understands. But he will still take responsibilities for his child.

For now, she's back at her old house and waits for his news.

Kaneki needs to see Touka. But she's missing. Yomo and Ayato have no idea where she is. He even asked Hide and Furuta. Hide said he doesn't know. Furuta said it's a karma for him for cheating on her all this time, she may be eloping with someone else, or plan an abortion to stop carrying his baby.

Touka finally returns home that evening.

She looks flushed, her belly had become bigger now.

"Where have you been?"

"Yoriko's house."

All this time he thought she was cheating on him.

"I did it with Amon. I'm sorry. I saw you went to Akira's house, so... but he was too rough that I'm scared the baby might get injured. So I stopped and just stayed at Yoriko's house. I shouldn't have cheated on you. I'm sorry."

"I'm the one who should apologise. I cheated on you so many times. Even this morning with Akira. I don't know if you will ever forgive me."

"Yomo said that during in heat cycle, the affected ghoul will fall in love with the partner he has the strongest emotion to. That's why you're so fond of her."

"But it wasn't just Akira. I did it multiple times with other girls too. I think some of them might get pregnant."

Touka sighed. She looked irritated but then calmed.

"I can see it coming. It's okay, Ken. You must take responsibilities. You're our King."

"But how?"

"A King can has concubines." She smiled. She seemed sad, but still smiled.

He ran towards her and gave her the tightest hug ever while apologising. She pulled away just to kiss him as a sign she accepted his apology.

"I missed you." He kissed her all over her face, her neck, then he removed their clothes.

He was being gentle. Kissing her breasts softly, massaging them until she moaned his name. Ken.

He planted soft kisses on her stomach, his child is growing inside her belly. All of their memories together surged through.

He whispered I'm sorry everytime he kissed her all over her body.

With Touka, it was so easy to get him hard. She understands him the most and knows him the most.

"We haven't had sex for a month and my tummy has become bigger now..."

"You're still beautiful."

"Not as beautiful as Akira." She pouted.

"I'm blessed to have beautiful women in my life." He kissed her then pushed her onto the bed.

"Are you ready, Touka-chan?" He lined his cock at her entrance. She nods and he thrust in.

He grunted when he feels the familiar feeling around his cock. He hasn't felt this for a month.

"I miss you."

He groped her breasts and toyed with them.

"I miss these too. They've gotten bigger now." He flickers his tongue on her nipples. When she moans, he sucked them. He had missed all of her for 1 month.

"I'm not going anywhere. You can play with them the whole day, Ken."

His eyes filled with lust at her suggestion, he sucked and bit until there were intense bitemarks on her body.

"Ken! Ahhhh!" She came just from the breasts stimulation and slow thrusting.

"We're not done yet, Touka-chan." He pulled out of her and positioned her on four.

He slapped her ass before thrusting in again, this time it was easier because of her juices.

"Haahh... Touka..." His hands grabbed her breasts, then he pulled her up against his body. They shared a long kiss while he kept on thrusting up. His hands now running all over her curves.

"I miss your body." His hand went to her stomach, feeling his child growing inside her. He smiled. Then he lowered his hand.

"I miss this as well." His thumb teased her clit and she came a few seconds later. Her arms wrapped around his neck as he thrust up. It was a lewd position. It took him a few hard thrusts before he shoot his cum inside her.

"Let's have a shower."

They made love the whole night. He was glad to have his wife back.

The next afternoon, Kaneki was surprised to find Rize, Hinami, Eto, Hairu, Itori, Akira, Saiko, Nashiro, Kurona and Mutsuki were at his living room. All of them arrived together.

"Girls... why are all of you here?"

"They're pregnant." Touka answered.

"All of you?"

"Yes."

Eto, Hinami, Saiko and Mutsuki seemed happiest.

"But... I'm..."

"It's okay, Kaneki. Make them your concubine. I don't mind." Touka said. He nodded.

"You girls don't mind?"

"We love you, Haise." Akira answered. "We don't mind sharing." All the girls nodded.

"You can create schedule of which date per month will you spend your days with them. Since there are 10 of them not including me, maybe you can make twice per month?"

"Yeah, I can do that."

The schedule was quite fair. But Kaneki has his favourite.

Touka gets 7 days. Akira gets 5 days. Hinami and Rize gets 3 days each. Others get 2 days. Nashiro and Kurona are counted as 1 day each since they'll have threesome.

Sometimes, other girls don't mind doing it with other girls too, especially Touka. Kaneki doesn't mind. It turned him on to see his wife had orgasm from another woman.

Touka and Akira are licking Kaneki's cock from base to the head, giving him intense pleasure. Kaneki's mouth was occupied with Hinami's breasts. His right hand was fucking Mutsuki and his left hand was fucking Saiko. The pleasure was too high that he didn't last very long. He came and shoot his cum on their faces.

Then they rotate their positions. Kaneki is in heaven.

Now he's lapping on Eto's pussy and having Rize riding his cock. She made lewd moans just to make other girls jealous. Nashiro and Kurona are fondling his each of his balls. His right hand groping Itori's breast and his left hand groping Saiko's.

After Rize came, they changed position again. Kaneki's cock entered 11 pussies that day, he was very exhausted during the midnight.

He will experience this reverse gangbang in the months that have 31 days. But threesome can happen anytime as long as the girl on duty allows it.

Sometimes Hide would come and they fucked Touka through each hole and sometimes Touka wanted Hide by herself. Kaneki didn't mind. He trusted his bestfriend. On those days, he went to find Akira, his second favourite.

As those days continued, Touka and Hide fell in love with each other and they told Kaneki. He didn't mind. As long as Hide lives with them.

After everyone has given birth, it was hectic but lively.

Kaneki was very happy to have 11 children all born in the same year. He was blessed to have wonderful women in his life.

Months after that they all are pregnant again. But when Touka gave birth to a blonde baby girl, Kaneki was happy because his best friend finally has his own child.

All of them lives happily ever after.

16. Kaneki x Saiko (late request)

This story is supposed to be completed... but this guy kept on leaving review asking for another Kaneki x Saiko. Here you go and please tell me what you think about it. Don't just request, read then leave no review. Thanks.

"Hello, my baby." Kaneki said as he hugged Saiko from behind. His hand groped her large breasts underneath her top and he's sucking her neck.

"Haah... Maman." She moaned from the pleasure and when his cock rubbed her ass. She grinded towards him and she could feel her pussy becoming wet.

"I can't wait to take you..." He pinched her nipples that made her moaned louder. She turned around and they kissed. Kaneki then pinned her to the bed and lifted up her top. She wasn't wearing any panties.

"No panties?"

"It's my turn today..."

"You're so cute, Saiko-chan." He quickly lapped her pussy. She was so wet.

"Were you waiting for me the whole day?"

"Yes." She moaned when he teased her clit. Three of his fingers went inside her and he curled them to reach her g-spot.

"Maman!"

"Cum, Saiko-chan. Cum for me."

"Maman! Ahhh!"

Saiko clenched the sheets as hard as possible when she came. Kaneki kept on lapping her that she could hear the slurping sound.

She pulled him up to share a kiss and she always thought her juice tasted weird.

"Maman, tonight, can you be less gentle?"

"Less gentle? How?"

"Like you did it with Eto and Rize. You're always so gentle with me. I want – I want to see other part of you that you've never showed me."

His eyes darkened hearing her words.

"Are you sure? I might be very rough." His hands massaged her big breasts.

"Haah. I'm sure, Maman. I can handle it because I love you."

"Don't regret it." Kaneki pushed Saiko's thighs so that her legs rested on his shoulders and he thrust in. He didn't wait for her to adjust but just pounded as rough as he can.

"Fuck! Saiko you're so tight!" He groaned while kept on thrusting as hard and as deep as he can.

"Maman! Ahh!" Saiko moaned both in pain and in pleasure. But after a while it became all pleasure for her.

It was too pleasurable for her that her kagune came out. She shaped it into a penis and penetrated Kaneki's other hole.

"Do you like that, Maman?" The kagune provided enough lubrication too.

Kaneki closed his eyes for a while. Feeling both pleasure of being inside her and her kaguna being inside him.

"Haah... yes. But I want to do the same for you too." His dick tentacle kagune plunged into Saiko's ass and she screamed from the intense.

They moved together. His cock inside her pussy and their kagunes inside each other's asshole. They screamed with each thrust.

Saiko came over and over again. After she had her fifth orgasm, Kaneki finally came. Spilling all of his load inside her vagina.

"Haah... that was fun." Saiko said.

"Yeah." They shared a kiss and it wasn't long for Kaneki to get hard again when he played with her breasts. His tongue and mouth covering every inch of them. And they were so big he could use them as a comfortable pillow.

But today he used them to thrust his cock in between.

"Maman!" Saiko screamed as he pulled her breasts in sync with his cock. The large breasts buried his cock and the sensation was too good.

When he came, he aimed his cum to her face and breasts. She looked lewd covered in his cum. But it just turned him on more.

They went into the shower, ignoring the looks from Touka seeing them naked and cum was all over Saiko's hair, face and body.

The house doesn't have bathroom inside each room so they had to step out of the room to clean themselves.

As soon as Saiko's body was clean from the cum, Kaneki lathered the liquid soap onto his palm and started to wash her. But he focused mainly on her breasts and pussy, and she focused on his hard cock.

They let the water flow on their bodies to wash away the soap and Kaneki immediately plunged his cock inside her pussy against the wall.

He thrust into her at a fast pace that made her screamed his name over and over again.

"Maman! Ahhh!"

"Take this, Saiko-chan!" He unloaded his cum into her pussy and that triggered her own orgasm. They rode their orgasm out before they went back into Saiko's room.

"That was great, Saiko-chan." He kissed her forehead and prepared to fall asleep. But suddenly Saiko was on top of him.

"It's not over yet, Maman."

She sat on top of his face and he knew what she wanted. He lapped on her cunt until she had her orgasm once again then she rode his hard cock. His hands were playing with her breasts the whole time she rode him.

"I love you!" She shouted when she reached her orgasm and Kaneki replied by pulling her down to kiss her and whispered, "I love you too. Saiko!" He groaned as he released his load inside her.

They fell asleep in each other's arms.
